

IN THE WOODS

DORPSHUIS DE FURS

Amy Rigby & Tracy Bonham

Tuesday 23 May 2006

23 mei 2006 | Amy Rigby | Tracy Bonham

Amy Rigby, die vandaag de 1e set verzorgde, is een singer-songwriter uit Cleveland Heights, Ohio. Haar punkrock-achtergrond is nog goed te horen aan haar stevige gitaaraanslag in een deel van haar repertoire. Newyorkse Tracy Bonham (zang, gitaar) demonstreerde in de 2e set weer een geheel andere zijde van het singer-songwriter-metier, met name door het gebruik van viool en zelf-lerende synthesizer in enkele nummers.
