

IN THE WOODS

DORPSHUIS DE FURS

Denice Franke & David Childers

Tuesday 06 Jun 2006

juni 2006 | Denice Franke | Duane Jarvis | David Childers & the Modern Don Juans

De thuisblijvers hadden vandaag triple pech. Eerst was daar de uit Houston, Texas afkomstige zangeres Denice Franke met haar prachtige folksongs in de traditie van o.a. Eric Taylor. Daarna liet Duane Jarvis, opgegroeid in Oregon maar nu woonachtig in California, horen van alle markten thuis te zijn. Hij paste dan ook naadloos in de band van David Childers en zijn Modern Don Juans. Zij begonnen de 3e set van de avond nog semi-acoustisch maar allengs floepten er op Jos Goverde's mengtafel steeds meer rode lampjes aan. Het verleidde het anders zo ingetogen Woodspubliek hier en daar tot een voorzichtig danspasje.
