

IN THE WOODS

DORPSHUIS DE FURS

Kris Delmhorst & Jeffrey Foucault

Tuesday 17 Oct 2006

17 oktober 2006 | Jeffrey Foucault | Kris Delmhorst

Jeffrey Foucault en Kris Delmhorst spelen niet graag samen. Toch was de samengespeelde toegift, met daarin covers van de obscure Dennis Brennan en Ryan Adams' "Sweet Carolina", het hoogtepunt van hun show. In de daaraan voorafgaande twee sets lieten ze, deels solo en deels elkaar ondersteunend, vooral veel eigen werk van hun meest recente (solo-)albums horen. Daarbij sprongen de soepele, sonore stem van Kris en de krachtige gitaaraanslag van Jeffrey het meest in het oor.
