## Lone Wolves

Saturday 21 Feb 2009

21 februari 2009 | Singer-Songwriter Night met Ad Vanderveen | Eric Andersen | Richard Dobson

Ze noemen zich de Lone Wolves, maar de argeloze bosbezoeker kon gerust zijn. De bloeddorst werd bezworen door de female harmonies van Little Lambs Kersten de Ligny en Inge Bakkenes. In een speciale acoustische setting wisselden de songs van veteranen Richard Dobson en Eric Andersen en die van bijna veteraan Ad Vanderveen elkaar af. En het was die laatste die met zijn fraaie gitaarspel de songs van muzikale ruggengraat voorzag waardoor de drie verschillende stijlen van deze verrassende maar daarom niet minder overtuigende gelegenheids-combinatie als het ware tot één geheel versmolten.
