6 mei 2008 | Oh Susanna & Luke Doucet

10 jaar geleden was Luke's oude band Veal de begeleidingsband tijdens Oh Susanna's allereerste tournee, toen langs de Amerikaanse westkust. Vanavond stonden Suzie en Luke weer samen op de planken in een concert dat daarom als een reunie beschouwd kan worden. Een stevige eerste set met de songs van Luke, in de tweede set de breekbare liedjes van Oh Susanna. "Now I'm gonna put you to sleep with my quiet songs" zei Suzie nog bij aanvang van die tweede set maar daar kwam bij het wakkere bospubliek tijdens het aanhoren van al dat moois natuurlijk niets van terecht.
